

Pursuant to Local Rule 5005, “Electronic filing is mandatory for all attorneys who file in this district except in limited emergency circumstances or where the attorney has received a waiver from the mandatory requirement from the Chief Judge of the Bankruptcy Court. If an attorney encounters emergency circumstances that require the attorney to file documents in paper form, the paper filing shall be accompanied by a letter briefly discussing the emergency circumstances that prevented electronic filing.” For additional information on how to become a registered electronic filer, please refer to the “Training” link under the above entitled section “Information for Attorneys.”
